A DOUBLETREE HOTEL

July 12, 2009

Ms. Gina Schwieger
Senior Director, Special Events
Respiratory Health Association of Metropolitan Chicago
1440 W Washington Blvd
Chicago, IL 60607-1878

Dear Gina,

On behalf of ECD Company, owners of theWit Hotel at 201 N State Street, are very pleased to lend their support as host property for the inaugural SKYLINE PLUNGE CHICAGO event tentatively scheduled for early fall to support Respiratory Health Association of Metropolitan Chicago's effort to raise money to fight lung disease.

We respect your very successful event planning history with such notable events as Hustle Up the Hancock and CowaLUNGa Bike Tour . Our dealings thus far with Over The Edge, you partner in executing SKYLINE PLUNGE CHICAGO, have been extremely professional, placing enormous emphasis on participant and community safety. Respiratory Health Association and Over The Edge's commitment to execute a "no trace" event, where you will ensure that the environment will be returned to the same condition it was in before the event was held, is most admirable and very desirable in a partner.

theWit Hotel looks forward to working with you and Over The Edge to execute a safe and successful inaugural SKYLINE PLUNGE CHICAGO event this fall.

Sincerely,

(name)

ECD Co/ theWit Hotel
